PROFESSIONAL SUMMARY

Detail-oriented and passionate Frontend Developer with 2+ years of experience. Skilled in React.js, Tailwind CSS, JavaScript, and SQL, with a proven ability to deliver clean, scalable UI solutions. Experienced in freelance e-commerce development (Footwear Website) and professional roles at Energize Express LLP, CETPA Infotech, and Valiance Technologies. Adept at collaborating with cross-functional teams, optimizing performance, and ensuring mobile responsiveness. Open to new challenges and eager to contribute to impactful projects in dynamic tech environments.

TECHNICAL SKILLS

Languages and Databases: Python, MYSQL, HTML, CSS, JavaScript, React, Node.js, Express.js, and MongoDB.

Visualization Tools: Git, Visual Studio Code, Figma, and Canva

Others: Advanced Excel, Web Development, and Software Development

WORK EXPERIENCE

Energize Express LLP – Frontend Developer, January 2025 -Present

- Built responsive UI components using React.js, HTML, CSS, and JavaScript.
- Collaborate with backend teams to manage data integration using APIs.
- Gain exposure to data handling and rendering logic in frontend applications.

Web Development Intern, CETPA Infotech Pvt Ltd, August 2024 – January 2025

- Built dynamic web applications using HTML, CSS, JavaScript, and React.js.
- Integrated backend services with Node.js, Express.js, and MongoDB for efficient data handling.
- Contributed to optimizing performance and ensuring responsive design across all devices.

Valiance Technologies – SQL Developer, June 2023 – July 2024

- Developed and optimized SQL queries, stored procedures, and functions for data transformation and business logic.
- Worked with MySQL and Oracle to support data requirements across departments.
- Assisted in ETL process design and ensured database performance and availability.
- Ensured data integrity, security, and version control during development.

PROJECTS

Footwear E-Commerce Website (Freelance | React.js, Tailwind CSS)

- Built a fully responsive e-commerce website with product listing, search, filtering, cart, and checkout features.
- Developed reusable React components and styled with Tailwind CSS for a modern, mobile-first UI.
- Focused on performance optimization and user-friendly navigation to deliver a smooth shopping experience.

Job portal (React.js, Tailwind, Redux)

- Developed a fully responsive job portal interface that allows users to search, filter, and apply for jobs.
- Implemented state management using Redux for job listings, authentication, and user interaction.
- Focused on improving performance and user experience through efficient rendering and intuitive design.

Coffee Shop Website (HTML, CSS, JavaScript)

- Designed and developed a responsive coffee shop website with interactive features such as a toggleable navbar and dynamic cart functionality.
- Focused on user experience by ensuring mobile responsiveness and smooth navigation across all devices.
